## PROVIDENCE HOUSING BACKGROUND

Founded in 1939, the Providence Housing Authority (PHA) provides and develops quality and safe affordable housing opportunities and services to address the needs of Rhode Island residents. We are committed to the core values of excellence, accountability, innovation, respect, and equity in all that we do.

Today, the PHA provides affordable housing to more than 12,000 residents in the City of Providence. We administer 2,606 public housing units that are home to about 5,613 residents – making us one of the largest landlords in the State. Units are designated as elderly/disabled, family, and scattered sites developments. We also oversee the administration of more than 2,700 tenant-based and project-based Section 8 vouchers, most of which allow low-income families to rent in the private market and host a variety of support programs to help our residents and participants meet their wellness, financial, and employment goals no matter what their age or ability. In addition to in-house services, the PHA provides a wide array of referrals to partners across the state.

The PHA is a quasi-governmental organization, governed by a Board of Commissioners appointed by the Mayor and Providence City Council, and an Executive Director who reports to the Board.

***Vision Statement:*** PHA, working with its residents, will be a best-in-class leader in creating safe, vibrant communities that promote pathways to opportunities and will be a place where people are proud to live and work.

***Mission Statement:*** PHA provides and develops quality and safe affordable housing opportunities and services to address the needs of Rhode Island Residents.

## SCOPE OF WORK

The Housing Authority of the City of Providence is seeking responses from providers with expertise and experience in providing On-Call Extermination Services.

The focus of this RFP is to select a single Extermination Provider for a two-year period with an option to renew the relationship for up to one (1) additional year. Vendor proposals (as described below) must include a cost for years 1-2 and a separate cost for year 3.

The PHA has an extermination team that performs regular extermination treatments. The on-call extermination services solicited in this RFP will be an on-call-based service with a **Not to Exceed (N.T.E) limit of Fifty Thousand 00/100 Dollars (\$50,000.00)** for a two-year contract with a 3<sup>rd</sup> optional year.

Typically, a call will be made to a representative assigned to the PHA (or current protocol of bidding company) when a more robust treatment may be required by a larger staff due to infestation. This could be for exterior or interior treatments but will mainly focus on exterior rat control and building cockroach infestation such as trash chutes in high rise apartment buildings.

The PHA is seeking a partner to assist in our extermination efforts and to warranty the service as well as advise our inhouse team on other extermination recommendations. Since there is not a specific isolated issue on a particular property, pricing will be requested for services as described below:

The proposer will describe treatment, number of applications and cost of those services by land and number of buildings located on the PHA properties, listed in "Appendix E", for **exterior rat control**, and by number of floors indicated on the excel file (also in Appendix E) for **cockroach trash chute treatment** in high rise locations listed.

This does not mean other services may not be requested and if so, will be negotiated at time of request. For bidding purposes, we will focus on just these two services, since historically they have proven to be the ones we have concentrated on in previous outside extermination projects.

### **Contractor Service Requirements:**

1. The Contractor shall furnish all supervision, labor, materials, and equipment necessary to accomplish the pesticide application, and or pest removal components of their program.
2. The Contractor shall provide detailed site-specific recommendations to aid in pest prevention.
3. The Contractor shall provide proposed Materials and Equipment for Service: The Contractor shall provide current labels and Material Safety Data Sheets (MSDS) for all pesticides to be used as well as brand names of pesticide application equipment, rodent bait boxes, insect and rodent trapping devices, pest monitoring devices pest detection equipment, and any other pest control devices or equipment that may be used to provide the service.
4. Prices for each (interior/ exterior- as applicable)
5. Warranties if any for each
6. Description of service and application process for each.
7. Three references that would apply to PHA 's size and scale.

# PROVIDENCE HOUSING AUTHORITY

---

## **Client Overview:**

- Certification: Prior to submitting their proposal, the Contractor must be trained and certified to provide these services.
- Contractor to describe how they will communicate an example of their extermination plan.

## **Goals:**

- The successful contractor will support the PHA when extra resources are needed to exterminate a problem. Possible preventive measures may be called upon as well.

(d) The only acceptable evidence to establish the date of mailing of a late offer, modification, or withdrawal sent either by registered or certified mail is the U.S. or Canadian Postal Service postmark both on the envelope or wrapper and on the original receipt from the U.S. or Canadian Postal Service. Both postmarks must show a legible date or the offer, modification, or withdrawal shall be processed as if mailed late. "Postmark" means a printed, stamped, or otherwise placed impression (exclusive of a postage meter machine impression) that is readily identifiable without further action as having been supplied and affixed by employees of the U.S. or Canadian Postal Service on the date of mailing. Therefore, offerors should request the postal clerk to place a hand cancellation bull's-eye postmark on both the receipt and the envelope or wrapper.

(e) The only acceptable evidence to establish the time of receipt at the HA is the time/date stamp of HA on the offer wrapper or other documentary evidence of receipt maintained by the HA.

(f) The only acceptable evidence to establish the date of mailing of a late offer, modification, or withdrawal sent by Express Mail Next Day Service-Post Office to Addressee is the date entered by the post office receiving clerk on the "Express Mail Next Day Service-Post Office to Addressee" label and the postmark on both the envelope or wrapper and on the original receipt from the U.S. Postal Service. "Postmark" has the same meaning as defined in paragraph (c) of this provision, excluding postmarks of the Canadian Postal Service. Therefore, offerors should request the postal clerk to place a legible hand cancellation bull's eye postmark on both the receipt and the envelope or wrapper.

(g) Notwithstanding paragraph (a) of this provision, a late modification of an otherwise successful offer that makes its terms more favorable to the HA will be considered at any time it is received and may be accepted.

(h) If this solicitation is a request for proposals, proposals may be withdrawn by written notice, or if authorized by this solicitation, by telegram (including mailgram) or facsimile machine transmission received at any time before award. Proposals may be withdrawn in person by a offeror or its authorized representative if the identity of the person requesting withdrawal is established and the person signs a receipt for the offer before award. If this solicitation is an invitation for bids, bids may be withdrawn at any time prior to bid opening.

#### **7. Contract Award**

(a) The HA will award a contract resulting from this solicitation to the responsible offeror whose offer conforming to the solicitation will be most advantageous to the HA, cost or price and other factors, specified elsewhere in this solicitation, considered.

(b) The HA may

- (1) reject any or all offers if such action is in the HA's interest,
- (2) accept other than the lowest offer,
- (3) waive informalities and minor irregularities in offers received, and (4) award more than one contract for all or part of the requirements stated.

(c) If this solicitation is a request for proposals, the HA may award a contract on the basis of initial offers received, without discussions. Therefore, each initial offer should contain the offeror's best terms from a cost or price and technical standpoint.

(d) A written award or acceptance of offer mailed or otherwise furnished to the successful offeror within the time for acceptance specified in the offer shall result in a binding contract without further action by either party. If this solicitation is a request for proposals, before the offer's specified expiration time, the HA may accept an offer, whether or not there are negotiations after its receipt, unless a written notice of withdrawal is received before award. Negotiations conducted after receipt of an offer do not constitute a rejection or counteroffer by the HA.

(e) Neither financial data submitted with an offer, nor representations concerning facilities or financing, will form a part of the resulting contract.

#### **8. Service of Protest**

Any protest against the award of a contract pursuant to this solicitation shall be served on the HA by obtaining written and dated acknowledgment of receipt from the HA at the address shown on the cover of this solicitation. The determination of the HA with regard to such protest or to proceed to award notwithstanding such protest shall be final unless appealed by the protestor.

#### **9. Offer Submission**

Offers shall be submitted as follows and shall be enclosed in a sealed envelope and addressed to the office specified in the solicitation. The proposal shall show **the hour and date specified in the solicitation for receipt, the solicitation number, and the name and address of the offeror, on the face of the envelope.**

It is very important that the offer be properly identified on the face of the envelope as set forth above in order to insure that the date and time of receipt is stamped on the face of the offer envelope. Receiving procedures are: date and time stamp those envelopes identified as proposals and deliver them immediately to the appropriate contracting official, and only date stamp those envelopes which do not contain identification of the contents and deliver them to the appropriate procuring activity only through the routine mail delivery procedure.

## PROPOSAL EVALUATION FACTORS

Proposals will be evaluated based on the criteria outlined in this Request for Proposals (RFP). If an award is granted based on this solicitation, it will be conferred upon the highest-rated **responsive and responsible** "Offeror" who, in the discretion of the Authority, most effectively fulfills the factors specified in this RFP and aligns with the Authority's long-term goals and needs. Furthermore, any Contract resulting from this RFP will be subject to additional requirements or restrictions imposed by the U.S. Department of Housing and Urban Development (HUD).

Each received response will undergo initial evaluation for responsiveness, ensuring it meets the minimum requirements. Submissions deemed responsive will subsequently be evaluated by a PHA review committee based on the following factors and their respective assigned values. The Authority reserves the right to invite Offeror(s) to deliver a presentation to the review committee.

| Factor # | Factor Description  | Max Point Value |
|----------|---|-----------------|
| A        | <b>The written narrative of each service offered (rat population containment for family parks on a regular basis and trash chute cockroach elimination yearly):</b><br>A detailed description of the service offered; the approach, proposed work plan, time frame and clear costing (see cost proposal below) of each service.                                 | 40              |
| B        | <b>Demonstrated Experience and Capacity in Similar Engagements:</b><br>Prior experience identified by the proposer in similar engagements. The proposer will provide contact information on at least three (3) references, if possible, Housing Authorities, non-profit agencies, or governmental entities) from prior clients with similar services requested. | 30              |
| C        | <b>Cost Proposals:</b><br>PHA requests a detailed cost proposal for each service requested by development.  | 30              |
|          |   | <b>100</b>      |

An **additional six (6) points** will be added to the final score for companies registered as **(MBE)** or **(WBE)**. Registered businesses must provide a copy of their Certification to receive these additional points. The State of Rhode Island Office of Diversity, Equity & Opportunity website offers comprehensive information on the certification process and defines the category of individuals eligible to certify as a W/MBE

**Minority Business Enterprise (MBE)** means a business enterprise that is at least 51% owned and controlled by one or more minority or socially and economically disadvantaged persons. Such disadvantage may arise from cultural, racial, chronic economic circumstances or other similar causes.

**Women's Business Enterprise (WBE)** is an independent business concern that is at least 51% owned and controlled by one or more women who are U.S. citizens or Legal Resident Aliens; whose business formation and principal place of business are in the U.S. or its territories; and whose management and daily operation is controlled by a woman with industry expertise.

## PROPOSAL EVALUATION METHOD

### **1. Initial Evaluation for Responsiveness:**

Each proposal received will first be evaluated for responsiveness (i.e. meets the minimum of the requirements).

### **2. Evaluation Packet:**

An evaluation packet will be prepared for each evaluator, including the following documents:

- Instructions to Evaluators
- Proposal Tabulation Form
- Written Narrative Form for each Offeror
- Copy of all pertinent RFP documents

### **3. Evaluation Committee:**

The Authority anticipates selecting a minimum of a three-person committee to evaluate each of the responsive "hard copy" proposals submitted in response to this RFP. PLEASE NOTE: No Offeror shall be informed at any time during or after the RFP process as to the identity of any evaluation committee member. If, by chance, a Offeror does become aware of the identity of such person(s), he / she SHALL NOT make any attempt to contact or discuss with such person anything related to this RFP. The designated Project Manager is the only person at The Authority that the Offerors shall contact pertaining to this RFP. Failure to abide by this requirement may (and most likely will) cause such Offeror(s) to be eliminated from consideration for award.

### **4. Evaluation:**

The appointed evaluation committee, independent of the Project Manager or any other person at The Authority, shall evaluate the responsive proposals submitted and award points pertaining to Evaluation Factors. Upon final completion of the proposal evaluation process, the evaluation committee will forward the completed evaluations to the designated Project Manager.

### **5. Points Awarded Range:**

Pertaining to the Subjective Factors, please note the following range of points awarded (points pertaining to this RFP) are shaded.

| Classification*        | Rating    | %     |
|------------------------|-----------|-------|
| Acceptable             | Excellent | 95%/+ |
| Acceptable             | Very Good | 90%/+ |
| Potentially Acceptable | Good      | 80%/+ |
| Potentially Acceptable | Average   | 70%/+ |
| Unacceptable           | Poor      | <70%  |

\*Pursuant to Section 7.2.N.3 of HUD Procurement Handbook 7460.8 REV 2.

### **6. Potential "Competitive Range" or "Best and Finals" Negotiations:**

The Authority reserves the right to, as detailed within Section 7.2.N through Section 7.2.R of HUD Procurement Handbook 7460.8 REV 2, conduct a "Best and Finals" Negotiation, which may include oral interviews, with any individual / firms deemed to be in the competitive range. Any individual / firm

# PROVIDENCE HOUSING AUTHORITY

---

deemed not to be in the competitive range shall be notified of such in writing by The Authority in as timely a manner as possible, but in any case within no longer than ten (10) days after the beginning of such negotiations with the individual / firms deemed to be in the competitive range.

## **7. Determination of Top-ranked Offeror:**

The points awarded by the evaluation committee will be forwarded to the Project Manager who will tally each of the scoring sheets to determine the highest score.

If the evaluation was performed to the satisfaction of the Project Manager, the final rankings will be submitted for final approval and review. Contract negotiations may, at the Authority's option, be conducted prior to or after approval.

## **8. Minimum Evaluation Results:**

To be considered to receive an award, a Offeror must receive a total calculated average of at least 70 points (of the 100 total possible points).

## **9. Ties:**

In the case of a tie in points awarded, the award shall be decided as detailed within Section 6.12.C of HUD Procurement Handbook 7460.8 REV 2, by "drawing lots or other random means of selection."

## **10. Notice of Results of Evaluation:**

If an award is completed, all Offerors will receive by e-mail a Notice of Results of Evaluation. Such notice shall inform all Offerors of:

- Which Offeror received the award;
- Where each Offeror placed in the process as a result of the evaluation of the proposals received;

## **11. Restrictions:**

All persons having familial (including in-laws) and / or employment relationships (past or current) with principals and / or employees of a Offeror entity will be excluded from participation on the Authority evaluation committee. Similarly, all persons having ownership interest in and / or contract with a Offeror entity will be excluded from participation on the Authority evaluation committee.

## Non-Construction Contract

Public reporting burden for this collection of information is estimated to average 5 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information.

This form includes clauses required by OMB's common rule on bidding/offering procedures, implemented by HUD in 24 CFR 85.36, and those requirements set forth in Executive Order 11625 for small, minority, women-owned businesses, and certifications for independent price determination, and conflict of interest. The form is required for nonconstruction contracts awarded by Housing Agencies (HAs). The form is used by bidders/offers to certify to the HA's Contracting Officer for contract compliance. If the form were not used, HAs would be unable to enforce their contracts. Responses to the collection of information are required to obtain a benefit or to retain a benefit. The information requested does not lend itself to confidentiality.

### 1. Contingent Fee Representation and Agreement

(a) The bidder/offeror represents and certifies as part of its bid/offer that, except for full-time bona fide employees working solely for the bidder/offeror, the bidder/offeror:

- (2)  has,  has not paid or agreed to pay to any person or company employed or retained to solicit or obtain this contract any commission, percentage, brokerage, or other fee contingent upon or resulting from the award of this contract.

(b) If the answer to either (a)(1) or (a) (2) above is affirmative, the bidder/offeror shall make an immediate and full written disclosure to the PHA Contracting Officer.

(c) Any misrepresentation by the bidder/offeror shall give the PHA the right to (1) terminate the resultant contract; (2) at its discretion, to deduct from contract payments the amount of any commission, percentage, brokerage, or other contingent fee; or (3) take other remedy pursuant to the contract.

### 2. Small, Minority, Women-Owned Business Concern Representation

- (3) No attempt has been made or will be made by the bidder/offeror to induce any other concern to submit or not to submit a bid/offer for the purpose of restricting competition.

(b) Each signature on the bid/offer is considered to be a certification by the signatory that the signatory:

(i) Award of the contract may result in an unfair competitive advantage;

(ii) The Contractor's objectivity in performing the contract work may be impaired; or

(iii) That the Contractor has disclosed all relevant information and requested the HA to make a determination with respect to this Contract.

(b) The Contractor agrees that if after award he or she discovers an organizational conflict of interest with respect to this contract, he or she shall make an immediate and full disclosure in writing to the HA which shall include a description of the action which the Contractor has taken or intends to eliminate or neutralize the conflict. The HA may, however, terminate the Contract for the convenience of HA if it would be in the best interest of HA.

(c) In the event the Contractor was aware of an organizational conflict of interest before the award of this Contract and intentionally did not disclose the conflict to the HA, the HA may terminate the Contract for default.

(d) The Contractor shall require a disclosure or representation from subcontractors and consultants who may be in a position to influence the advice or assistance rendered to the HA and shall include any necessary provisions to eliminate or neutralize conflicts of interest in consultant agreements or subcontracts involving performance or work under this Contract.

## PART II - TERMS AND CONDITIONS

### 1. Breach of Agreement:

If the Contractor fails to fulfill any obligation under this contract in a timely and proper manner or if it shall violate any of the term(s) of this contract, the PHA shall have the right to immediately terminate such contract and withhold payments in excess of fair compensation for work completed. The term "breach of agreement" specifically includes, but is not limited to, failure to comply with any contract terms, applicable Federal, State or Local laws or regulations.

### 2. Termination:

The PHA shall have the right to terminate this contract at any time and reserves the right to terminate this contract for its convenience or in the event it shall abandon or indefinitely postpone the program. Such termination shall be accomplished by written notice delivered to the Contractor. Payment to the Contractor shall be made for work performed prior to issuance of the termination notice, together with the Contractor's reasonable, subject to PHA prior written approval, cost for closing down its work, and the Contractor shall have no claim for loss of anticipated profits or any additional compensation.

Despite the above, the Contractor shall not be relieved of liability to the PHA for damages sustained by virtue of any breach by the Contractor and/or its subcontractor(s).

### 3. Termination of Contract for Cause:

If, through any cause, the Contractor shall fail to fulfill in timely and proper manner the obligations under this Contract, or if the Contractor shall violate any of the covenants, agreements, or stipulations of this Contract, the Authority shall thereupon have the right to terminate this Contract by giving written notice to the Contractor of such termination and specifying the effective date thereof, at least five days before the effective date of such termination. Despite the above, the Contractor shall not be relieved of liability to the Authority for damages sustained by the Authority by virtue of any breach of the Contract by the Contractor, and the Authority may withhold any payments to the Contractor for the purpose of setoff until such time as the exact amount of damages due the Authority from the Contractor is determined.

### 4. Termination for Convenience of Authority:

The Authority may terminate this Contract any time by a notice in writing from the Authority to the Contractor. If the Contract is terminated by the Authority for Convenience, the Contractor will be paid an amount that bears the same ratio to the total compensation as the services actually performed bear to the total services covered by this Contract, less payments of compensation previously made. If this Contract is terminated due to the fault of the Contractor, Termination for Cause or Convenience will be determined by the Authority in its sole discretion.

### 5. Changes:

## **8. Withholding of Salaries:**

If, in the performance of this Contract, there is any underpayment of salaries by the Contractor or by any subcontractor thereunder, the Authority shall withhold from the Contractor out of payments due to him an amount sufficient to pay to employees underpaid the difference between the salaries required to be paid and the salaries actually paid such employees for the total number of hours worked. The amounts withheld shall be dispersed by the Authority for and on account of the Contractor or subcontractor to the respective employees to whom they are due.

## **9. Claims and Disputes Pertaining to Salary Rates:**

If applicable, claims and disputes pertaining to salary rates or to classifications of architects, draftsmen, technical engineers and technicians performing work under this Contract shall be promptly reported in writing by the Contractor to the Authority for the latter's decision which shall be final.

## LAWS ENFORCED BY EEOC

### Title VII of the Civil Rights Act of 1964 (Title VII)

This law makes it illegal to discriminate against someone on the basis of race, color, religion, national origin, or sex. The law also makes it illegal to retaliate against a person because the person complained about discrimination, filed a charge of discrimination, or participated in an employment discrimination investigation or lawsuit. The law also requires that employers reasonably accommodate applicants' and employees' sincerely held religious practices, unless doing so would impose an undue hardship on the operation of the employer's business.

### The Pregnancy Discrimination Act

This law amended Title VII to make it illegal to discriminate against a woman because of pregnancy, childbirth, or a medical condition related to pregnancy or childbirth. The law also makes it illegal to retaliate against a person because the person complained about discrimination, filed a charge of discrimination, or participated in an employment discrimination investigation or lawsuit.

### The Equal Pay Act of 1963 (EPA)

This law makes it illegal to pay different wages to men and women if they perform equal work in the same workplace. The law also makes it illegal to retaliate against a person because the person complained about discrimination, filed a charge of discrimination, or participated in an employment discrimination investigation or lawsuit.

### The Age Discrimination in Employment Act of 1967 (ADEA)

This law protects people who are 40 or older from discrimination because of age. The law also makes it illegal to retaliate against a person because the person complained about discrimination, filed a charge of discrimination, or participated in an employment discrimination investigation or lawsuit.

### Title I of the Americans with Disabilities Act of 1990 (ADA)

This law makes it illegal to discriminate against a qualified person with a disability in the private sector and in state and local governments. The law also makes it illegal to retaliate against a person because the person complained about discrimination, filed a charge of discrimination, or participated in an employment discrimination investigation or lawsuit. The law also requires that employers reasonably accommodate the known physical or mental limitations of an otherwise qualified individual with a disability who is an applicant or employee, unless doing so would impose an undue hardship on the operation of the employer's business.

### Sections 102 and 103 of the Civil Rights Act of 1991

Among other things, this law amends Title VII and the ADA to permit jury trials and compensatory and punitive damage awards in intentional discrimination cases.

### Sections 501 and 505 of the Rehabilitation Act of 1973

This law makes it illegal to discriminate against a qualified person with a disability in the federal government. The law also makes it illegal to retaliate against a person because the person complained about discrimination, filed a charge of discrimination, or participated in an employment discrimination investigation or lawsuit. The law also requires that employers reasonably accommodate the known

physical or mental limitations of an otherwise qualified individual with a disability who is an applicant or employee, unless doing so would impose an undue hardship on the operation of the employer's business.

### The Genetic Information Nondiscrimination Act of 2008 (GINA)

**Effective – November 21, 2009.** This law makes it illegal to discriminate against employees or applicants because of genetic information. Genetic information includes information about an individual's genetic tests and the genetic tests of an individual's family members, as well as information about any disease, disorder or condition of an individual's family members (i.e. an individual's family medical history). The law also makes it illegal to retaliate against a person because the person complained about discrimination, filed a charge of discrimination, or participated in an employment discrimination investigation or lawsuit.
